REASONS FOR ALLOWANCE

1. Claims 1-13 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance: The applicant's arguments filed on 11/9/2007 are persuasive. **The feature of independent claims 1-3, 6-10, 12, and 13** directed towards allowable subject matter are said plasma display drive waveform amplitude features. **Orita et al. teaches of** a like device having a plasma display, but fails to teach of said drive waveform having said specific amplitude features **Therefore** the above said features in combination with the other limitations of the above independent claims 1-3, 6-10, 12, and 13, and therefore claims 1-13, are found to be allowable over the prior art of record.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
